

Character & Grammar Workshop: Dinothesaurus

Overview

In this engaging workshop, children will explore grammar in a fun and creative way by creating their own dinosaur character. Using nouns, adjectives, adverbs, and verbs, students will plan and illustrate their dinosaur, bringing it to life with their chosen words. This interactive activity will help children develop a deeper understanding of how grammar works while sparking their creativity.

Suitable for
KS1 children

Duration
45 minutes

Workshop Objectives

- Foster Creativity: Encourage children to think imaginatively as they design their unique dinosaur character.
- Develop Grammar Skills: Help students understand how nouns, adjectives, adverbs, and verbs work together in sentences.

- **Enhance Illustration Skills:** Allow children to illustrate their dinosaur, incorporating their chosen words into their artwork.
- **Encourage Experimentation:** Give students the freedom to experiment with different words and features to create their one-of-a-kind dinosaur.

Materials Needed

- Paper and coloring materials (pens, pencils, crayons)
- Printed resources with a list of nouns, adjectives, adverbs, and verbs for reference.

National Curriculum Alignment

- **English**
 - **Grammar Understanding:** Students learn to identify and use nouns, adjectives, adverbs, and verbs effectively in sentences.
 - **Creative Writing:** Encourages the use of descriptive language to bring characters to life.
 - **Vocabulary Development:** Helps expand vocabulary by introducing students to a wide range of words in various contexts.
- **Art**
 - **Creative Expression:** Students create visual representations of their dinosaur character, using their grammar knowledge to shape their ideas.

This workshop offers an engaging, hands-on approach to understanding grammar while nurturing creativity. By designing and illustrating their own

dinosaur character, students will gain a deeper appreciation for the power of language and art!
